

motion-activated SOLAR LED DUAL-SPOTLIGHT

SMT LEDs provide long-lasting, super-bright light.

Turn Night Into Day!

Two adjustable heads to aim light! Solar LED Dual-Spotlight automatically turns on when motion is detected after dusk. Includes 3 rechargeable Ni-MH batteries, solar charging panel, and a 9-foot cable. Activates up to 150 times when on for 1 minute at a time. Plastic body available in off-white or dark bronze.

Works Year Round, In All Climates

Durable construction with sealed lens is totally weatherproof and has an IP44 weather rating.

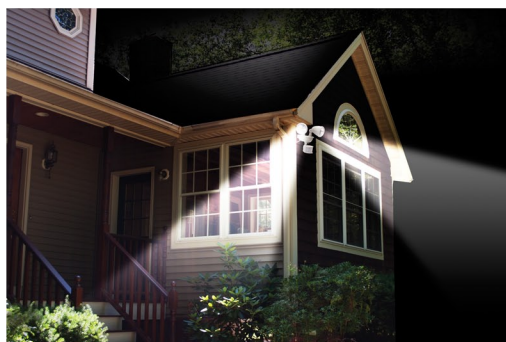

Fully Adjustable Settings

Set the duration of the illumination from ten seconds to one minute; the motion-sensitivity and light/dark sensitivity.

- Two heads let you cover more space and direct the light in more than one direction.
- Super bright SMT LED lights provide maximum illumination and efficiency.
- Light automatically turns on when motion is detected at night for security, safety, and convenience.
- Easy DIY installation. No wiring. No electrician needed.
- Includes 9 feet of cable for solar panel and lets you mount the light anywhere, even inside.

Includes:

- Solar LED Dual-Spotlight with three long-life 2100 mAh NiMH rechargeable batteries
- Solar Panel
- 9-foot solar panel cable
- Mounting hardware
- User Guide
