

# solar-powered MARKER LIGHTS

Weatherproof LED lights mark paths, driveways, steps and more!

47771 - White  
47773 - Amber  
47774 - Blue  
47775 - Red / Green  
47776 - Green  
47777 - Red

## Mark Paths, Driveways and Steps. Help Prevent Hazards.

Protect yourself, friends, family, and your property by using these bright Marker Lights to line driveways, paths, lawns, pools, steps, and more. 5 colors available to provide the perfect accent to any area.

## Works Year-Round, in All Climates

High-impact polycarbonate plastic can be driven over by vehicles and withstand significant temperature variations. Tight, weatherproof seal protects electronics from moisture for long product life.

## Energy Efficient

High-efficiency, super bright LED bulbs use a fraction of the power of a normal bulb and last virtually forever.

## Excellent for Boaters

Mount to your dock or on each side of your boat for safety.

## Adjustable Settings

Set the lights to flash slowly, quickly, or to stay on continuously.

**Available in 5 Colors:** White, Red, Blue, Amber and Green

## Includes:

- Package of 2 includes solar-powered LED Marker Light and Ground Stakes
