

ac/dc rechargeable LED FLASHLIGHT

Never be without an emergency flashlight.

Never Buy Flashlight Batteries Again!

The AC/DC Rechargeable LED Flashlight comes with a wall-mounted electric charger so you can keep your flashlight ready at all times. Unscrew the base cap to reveal a 12-Volt DC adapter that plugs directly into any standard auto or boat power receptacle.

50 Times Brighter Than Standard LED Flashlights.

Our ac/dc rechargeable emergency flashlight uses a Cree Q4 LED bulb, the brightest, longest lasting bulb we offer. It delivers a bright, focused beam to illuminate paths up to 300 feet! Keep one ready for emergency use in the car or the home. The compact 7-inch light stores easily in a tool box or in your glove compartment or purse.

Keep In The Car For Emergencies

Innovative design features a pointed metal head that aids in breaking window glass in the event of an emergency. Strike the flashlight against a car window to make a life-saving escape.

Aircraft-Grade Anodized Aluminum Body

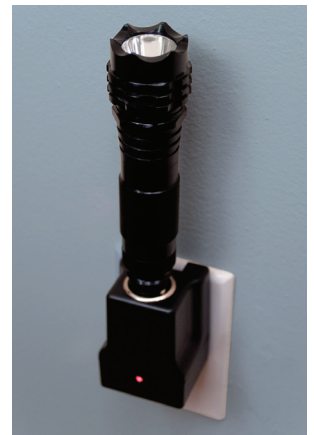

High-quality aluminum construction is lightweight and durable. Textured aluminum body is non-corrosive and easy to grip, even when exposed to grease or oils. Weighs only 7 ounces. Perfect for camping or hiking because it doesn't add bulk to your pack.

Features

- Lifetime bulb never needs replacement.
- Shock & water resistant.
- Shatter-proof polycarbonate lens.

Remove the end cap to reveal a built-in DC adapter for charging in the home or the car.

Product Specifications:

Item #:	20062	UPC:	8 99419 00089 9
Unit Dimensions:	7" (length) x 1.4" (diameter)		
Unit Weight:	7 oz.		
Brightness:	100 Lumens		
Battery Life:	3 hours (continuous on)		
Battery:	3 Rechargeable Ni-Mh (included)		
Bulb:	Cree Q4 LED Bulb		

Master Carton Quantity:	20 pcs
Master Carton Dimensions:	19 x 11.4 x 15.35 in (48.5 x 29 x 39 cm)
Master Carton Volume:	1.95 ft ³ (.055 M ³)
Master Carton Weight:	16.5 lb (7.5 kg)
