motion-activated
SOLAR SECURITY LIGHT
80 LEDs provide long-lasting, super-bright light.

Stylish Brushed Aluminum Design

Energy-Efficient

80 high-efficient, super-bright LED bulbs use a fraction of the power of a normal bulb and last virtually forever.

Wide-Angle LED Floodlight Illuminates Large Areas

Perfect for decks, pathways, sheds, garden areas and entryways. Great for any large outdoor area where you need more light.

Works Year-Round, in All Climates

Durable aluminum metal construction with sealed lens is totally weatherproof.

Fully Adjustable Settings

Set the duration of the illumination from ten seconds to one minute; the motion-sensitivity and light/dark sensitivity.

- 80 super bright LED lights provide maximum illumination and efficiency.
- Light automatically turns on when motion is detected at night for security, safety, and convenience.
- Easy DIY installation. No wiring. No electrician needed.
- Includes 15 feet of cable for solar panel and lets you mount the light anywhere, even inside.
- Light can activate up to 180 30-second intervals on a single charge.

Includes:

- 80 LED Solar Security Light with three long-life 2100 mAh NiMH rechargeable batteries
- Solar Panel
- 15-foot solar panel cable
- Mounting hardware
- User Guide
